Program Honors Voyageurs

Drayton Valley members of the Centennial canoe team were feted at a program and supper in the Cardium Room of the Drayton Valley Hotel Monday evening. The Cardium Room was packed for the occasion.

The three Voyageurs were presented with trophies, featuring model canoes, on behalf of the community by former mayor, Howard Pickup, Brian Gooding, a member of the Centennial Committee, was MC for the evening.

Of the three team members only one, Dave Ellery, still makes his home in Drayton Valley. Dave Maclure is attending the University of Alberta and Archie Griffith has been transferred to Rocky Mountain House.

Mr. Pickup, in introducing the paddlers, traced the history of the canoe pageant which saw ten teams representing provinces and territories, race from Rocky Mountain House to Montreal, a distance of almost 4,000 miles. The canoes left Rocky Mountain House on May 24 and arrived at Expo in early September.

He noted that the communities of Drayton Valley and Rocky Mountain House had established a great deal of canoe race interest before the Centennial event and that the Pageant had its beginnings in the annual Whitewater Race and the men who annually take part in the summer run from Rocky to Edmonton.

Each of the canoeists spoke briefly and expressed thanks for the honor bestowed on them. They were joined by the Alberta Captain, Vic Max-

well of Rocky Mountain House, who related several amusing anecdotes of the cross-country trip.

John Nickel, the chief of the Alberta brigade, was unable to be present and wired his regrets.

Centennial officer Bud Sal-loun was present and showed colored slides, with accom-

panying commentary, of the entire trip from start to finish. The slide showing was enjoyed greatly by those in attendance.

Drayton Valley's part in the event was pictured, along with other nearby river communities including a shot of the festivities at Genesee arranged jointly by communities east of Drayton Valley.

Lions, Rotary Hold Combined Ladies' Night

For their regular meeting on November 21, the Drayton Valley Lions Club invited their wives and also the Drayton Valley Rotary Club and their wives.

The guest speaker for this occasion was Mr. Frank Belyea, Regional resource co-ordinator for ARDA from Edson, who gave a very informative talk on the subject, "Reasons for existence of service clubs in the community."

Among other reasons he stated that the only way for a human being to survive and succeed is in a group.

Rotarian H. Pickup thanked the speaker on behalf of everybody present.

A social hour followed the meeting which was enjoyed by all.

For their next project the Drayton Valley Lions Club have rented sound equipment

Elks Donate \$250 for New Library Books

The big news this week around the Drayton Valley Municipal Library is the Elks generous donation of two hundred and fifty dollars to buy new books.

The Elks have announced their intention of making this a five-year project, the donation to be made at this time each year.

A most sincere thankyou goes out to all Elks for this most generous gift and a special word of appreciation is extended to Mr. Chaput who brought the matter to the attention of his fellow lodge members.

from A.G.T. which will be installed in the business section of the town. During the month of December music will be played in shopping hours, with spot advertising from the local businesses. For this purpose the Lions hope to obtain the co-operation of the local businessmen.

89-Year Old Doll

Mrs. Fanny Davey of Drayton Valley shows her granddaughter Wendy her 89-year-old Janeau doll in the photo above. The doll, stamped Paris, 1878, was given to Mrs. Davey in 1912 when her family was leaving England for Canada. Mrs. Davey took the doll to Edmonton Doll Hospital for repairs last summer and the proprietor remarked immediately, "It's a genuine Janeau." The dolls apparently are now very rare and quite valuable to collectors. Mrs. Davey played with the doll as a small girl and then her daughter used it for several more years. Wendy is the daughter of Mr. and Mrs. Gerald Davey of Evansburg.

Committee Reports Heard by Council

At the regular meeting of Town Council held in the Drayton Valley Council Chambers Thursday, November 23rd reports from standing committees were requested and heard.

FINANCE AND PERSONNEL

The chairman advised that all vouchers had been checked out up to date.

DEVELOPMENT AND PUBLICITY

The progress of the General Plan was discussed and it was noted that the planners expect the printing of the plan to be completed near the end of November.

Information was also given regarding the invitation to Agricultural Representatives to set up an information office in Drayton Valley once or twice a week.

PUBLIC WORKS AND UTILITIES

Some preliminary work has been done on the 1968 budget and equipment and plant surveyed in an effort to determine needs for 1968.

POLICE, FIRE AND E.M.O.

The Police Commission has been busy on preliminary 1968 budget proposals along with probable needs in equipment for 1968. A meeting was being arranged with the Fire Brigade to familiarize the committee with Fire Department responsibilities. No applications were received for Co-ordinator of E.M.O.

COUNCIL BRIEFS

At Thursday's Council meeting letters to Brown and Root, Classic Building Ltd., and Edmonton Butchers and Packers were read to council advising them of the annual inspection of the arena project that was to be held on November 24th.

Council directed that adequate representation from the Recreation Board, Public Works Committee and Finance Committee be included in the inspection to insure the town's representation.

Control of arena spectators during hockey games was discussed and it was recommended that the Police Constable on duty be instructed to pay a visit to the arena from time to time during the game to provide necessary protection.

It was also suggested that the Air Cadets and Scouts be approached to supply ushers for control of car parking.

It was moved and carried that the town change the banking accounts of the town funds so that the General Revenue Fund is handled by the Treasury Branch and the Water Revenue Fund by the Royal Bank.

The change is being made in line with the town's policy of rotating business to insure that both banking institutions receive a fair share of the town's business.

The matter of a policy in regard to method and type of memorial stones to be erected in the new cemetery was discussed. First reading was given to Bylaw No. 393 authorizing the setting of such policy designating the methods of erection, type and shape of memorial markers to be installed in the cemetery.

Council approved the request of Richard McDonald to erect a temporary vehicle shelter on property at 4824 - 50th Ave. with the stipulation that the shelter must be dismantled before April 30th, 1968.

Some concern was expressed about the future reserves of water in the town wells and the possibility of having to go to other sources for the communal water supply.

It was decided to investigate the possibilities of alternative water sources and gain as much knowledge of our water peculiarities and resources as the National Research Council can provide.

Bylaw No. 394, authorizing the rental of the old Police Office to Dr. Donald Kreyckik, was given first reading.

Dr. W. Bobey Guest Speaker

Residents of the community are reminded of the meeting planned for Thursday, December 14th when Dr. W. Bobey will be the guest speaker. Dr. Bobey is on the staff of the Edmonton Guidance Clinic (Division of Mental Health).

Dr. Bobey will explain the workings of the Guidance Clinic and the role played by psychiatrists, psychologists and social workers. He will explain how the different types of patients are handled and inform parents of the warning signals they might watch for in their own children.

The meeting will be held in the Junior High School Auditorium starting at 8 p.m.

The United Church Women's regular general meeting and Christmas program will be held in the church basement on Tuesday, December 5th. The meeting will start at 8:00 p.m.

Film Features Mormon Choir

As part of the semi-annual conference of the Latter Day Saints Church a special choir made up of Mormon mothers from Alberta went to Salt Lake City, Utah to participate as a choir in this conference.

This Thursday, November 30, 1967 at 7:30 p.m. in the Junior High School Gym a short film will be shown featuring this choir and the world famous Mormon Tabernacle Choir. There is also an interesting talk on the youth of today.

Everyone is invited to attend and no admission will be charged.

New Lions

At a recent meeting in the Cardium Dining Room, three new members were inducted into the Lions Club. Present to perform the induction ceremony was past District Governor Art Stapleton of Morinville. From left to right the three new members are: David F. Strocher, Bank employee; E. Rendflesh, Pipeliner; and James A. Orioux, Principal St. Anthony's School.

Good Summer for Construction

Hon. Gordon E. Taylor, Alberta Minister of Highways, has issued the final highway construction progress report for this season. Most of the work has now been closed down for the winter, but on one or two projects, grading work is being continued.

During the season, 305.83 miles of new grade in the Primary Network were constructed. This is 92% of the work under-

taken; last year 88% of a smaller program was completed by the end of the season.

Altogether, the 1967 construction season was a very good one, and much worthwhile work has been accomplished.

Think big and your deeds will grow; think small and you will fall behind; think that you can and you will. It's all in the mind.

ALDER FLATS NEWS

Mr. and Mrs. A. Larson left two weeks ago for Winnipeg, where they are visiting their daughter, Norma, son-in-law Frank and grand-children, the Frank Hingston's.

The winter work has started up out here, with one oil rig moving in; so far, Beaver Drilling are set up and in operation on the Victor Stefura farm.

The Busy Bee's who have been working on the outside plumbing for the community hall are happy to report the task is almost completed.

Liquid embroidery parties are most popular lately, with Mrs. Mary Durant being hostess for one Wednesday evening and Mrs. Doris Tugwell the following Monday evening. Mrs. Margie Hammond is having a shading in party at her home on November 29th at 8:30 p.m. Everyone is welcome to attend.

The Richard Clemmers have completed their new home on the farm, and are now moved in.

Mrs. Jack Jeffcott is a patient in the Drayton Valley Hospital.

Bob and Cecile Wennerstrom are sporting a new '68 Dodge.

Saturday evening visitors at the Haggart home were Alex and Merna Tomzack and baby son of Rocky Mountain House.

Spending the weekend at the Roy Nerdahls, were friends, from Edmonton, Mr. and Mrs. Clayton Richman and family. Roy and Clayton spent Saturday hunting and were successful in bagging a deer.

Monday and Tuesday visitors with Roy and Elaine were Roy's mother and step-father, Mr. and Mrs. Shaw of Hines Creek.

Doris and Lars Larson attended the big Hereford sale on Saturday at the Rosehill Sales

Pavillion at Olds. A seven-month old Hereford bull sold for eleven thousand dollars.

Mr. and Mrs. Bill Ring and family attended the silver wedding anniversary celebration of Mr. and Mrs. Albert Forth of Wetaskiwin on Saturday. The Forths are the parental in-laws of the former Roseanne Ring.

Attending a Guides Get Together on Saturday at the Guides Hall in Wetaskiwin from here were Mrs. Joyce Hayduk, Mrs. Shirley Shanks and Mrs. Brenda Grant, accompanied by Mrs. Shaw and Mrs. Wennerstrom of Buck Lake. Guides and Brownie representatives from all the surrounding districts attended the get together.

The Training Program for leaders, group committees and parents of Cubs and Scouts was held on Sunday at the hall, with District Commissioner C. Gould, District Scout Master F. Tookey both of Whitecourt and District Cub Master J. McLean of Drayton Valley were the instructors. Cub leaders from Lodgepole and Cynthia also attended this program.

Coming Events:

Councillor's Report meeting at Buck Lake November 30th at 8:30 p.m.

The 25th Wedding Anniversary celebration for Ivy and Albert Kellgren, December 2. Open house from 3:00 p.m. to 5:00 p.m. Dance starting at 9:00 p.m. at the community hall.

Cub and Scout group committee meeting at the Legion Hall at 8 p.m. December 5th.

Turkey Bingo, December 20. The draw for the Hereford heifer will be made at this time, so anyone wanting to buy tickets, do so, soon.

It may be difficult to say the right thing at the right time, but it is far more difficult to leave unsaid the wrong thing at the tempting moment.

Awards Presented At Tea Sunday

A lovely tea was held in the Scout Hall Sunday afternoon in honour of Margaret Hammerlindl who has achieved the highest award in Guiding, the Golden Cord. Margaret is the first girl in Drayton Valley to receive this award.

Joanne Chenery received her All Round Cord. Mrs. Shirley Shanks of Alder Flats, Commissioner of Sunset Pines District, presented the girls with their cords.

Janet Metelski and Joanna

Hansen received world pins from the local Association for having achieved their First Class Badges.

Mrs. Hammerlindl was presented with a gift from the Rangers for her years of service.

May we take this opportunity to thank the people who so willingly gave their services, Mrs. Bea Wickens, Mrs. Donna Goble, Mrs. Ella Lathe, for convening; Mothers who supplied baked goodies; and the Guides who served at the tea.

O.O.R.P. Lodge Members Take Travelling Gavel to Entwistle

Seventeen ladies of the Drayton Valley Order of the Royal Purple went to Entwistle Lodge on Tuesday, October 17 with the travelling gavel. It was an enjoyable evening and a delicious lunch was served.

Highlight of the November 7th meeting, with 29 members present, was the presentation of bursaries to three high school students. The students receiving bursaries and scrolls were Linda Frank for highest mark in grade 9 math; Bonnie Reich best overall standing in grade 10 and Don Pezzot, best overall standing in grade 11. Caroline Kjolien was presented with a bursary earlier for best mark in grade 12 English.

The students very ably expressed their thanks to the Lodge. It was gratifying to see the parents accompanying the students.

A committee was set up to look after the annual Senior Citizens Supper to be held in the Elk's Hall on Tuesday, December 5th at 6:30 p.m. (Members are reminded that this is a regular meeting night). A committee was also set up for the annual Turkey Bingo to be held in the Elk's Hall, Wednesday, December 13th at 8 p.m.

At the November 21st meeting twenty-one members were present. The budget for the coming year was read, discussed and adopted. It was

decided that the December 19 meeting would take the form of our annual Christmas party. Each member should bring \$1 gift and may also bring a guest.

AN APPLE A DAY AND CALL THE DOCTOR . . .

With Hallowe'en past we thought the demented monsters had all retreated to their caves to glower and gloat over this year's success and plan next season's maiming tactics.

However, a report out of Bashaw tells of a shipment of apples arriving at a grocers, two or three loaded with lethal hardware in the form of broken razor blades and straight pins. This is guaranteed to play havoc with the apple business unless the R.C.M.P., who are investigating the Bashaw incident, can run down the sadistic people responsible.

Somewhere between the orchard and the grocer, is somebody with an awfully warped sense of humor who's apprehension can't come too soon.

SLIPPERY FIELDS AND SLIPPED DISCS . . .

Every year at this time we can't help but note an idiotic feature of Canadian professional football whose powers-that-be still prescribe playing the most important games of the season under the worst possible weather conditions.

Throughout the late summer and fall the teams perfect their plays under good or reasonably good conditions and then enter the finals on snow and ice covered fields where slips and miscues outrank ability in deciding the winner.

Advancing the season by a couple of weeks would greatly increase the chance of the finals being played in better weather and early season games are well supported so attendance can't be blamed for the present set up.

Apparently the power is still in Eastern Canada where fall usually lingers a little longer and western teams go along with ending their season at about the same time as the east. The two Western finalists rack themselves up on the ice-covered fields (Regina Wednesday was typical; Calgary Sunday an exception) and the survivors limp to the annual Grey Cup classic.

HOLIDAYS EXTEND BLOOD NEED . . .

Blood--the living gift which only one human can give another--has helped save many lives in Canada.

Because our citizens donate blood through the Canadian Red

Cross Blood Transfusion Service, our hospitals have whole blood and blood products available for those who may need it.

Blood donations tend to slack off during the festive season, yet the need is inclined to increase because higher accident rate both on the highways and in the home. Certain kinds of chronic ailments--bleeding ulcers, for example--the treatment of which demands blood transfusions--also seem to take a jump during the frenzy of Christmas and New Year's preparations.

With those things in mind our citizens would do well to visit the Red Cross blood clinic.

Your donation will take only a little time. Call the Red Cross for an appointment. The benefits are great.

Give the gift of life this holiday season.

Those you help will always remember.

THE ONLY GOOD COYOTE . . .

It appears our note of last week about saving the coyote from all-out massacre gained a measure of response. The weight of public opinion (at least the two or three who commented) felt the coyote is worth preserving on the Alberta scene even though he may often be guilty of the many misdemeanors laid at his doorstep.

However, like Custer and the Sioux, there are still those who feel the only good coyote is a dead coyote.

It is still our opinion that the coyote plays an important role in balancing nature's rodent population. Control may sometimes be required but never on all-out massacre just because the coyote happens to be available and sports a somewhat tarnished record.

Bob Mayhew summed it up neatly with: "There are too many damn fools running around the country blazing away at everything that moves."

HOW ABOUT PLAYBOY?

Dr. Don Kreycik, Drayton Valley's outdoors-minded veterinarian, reports he is the recipient of a subscription to "Outdoors Life" from an unknown benefactor. Don is enjoying the magazine and would like the anonymous donor to know that he is also fond of "Field and Stream".

Don headed off at the weekend for the hinterland north of Entrance on a trophy hunt. With a little luck he'll get his trophy and perhaps some more magazines on his return.

Applications Being Accepted For Ag. Technology Course

Applications are now being accepted for the winter session of the comprehensive agricultural technology course, scheduled to start at the Olds Agricultural and Vocational College on January 2nd.

Because students can take a general program or major in one of six fields related to agriculture, this course, which is operated on a trimester system, is one of the most popular given at the College.

The six fields in which students can major are animal science, farm management, farm mechanics, plant science, soil science and agribusiness. The soil science major is intended for students who plan to work in the fertilizer industry or in the farm land appraisal and assessment field. The agribusiness major, which combines agricultural and business subjects, is designed for students planning to seek employment in industry related to farming or to become self-employed in such a field.

EVANSBURG

Junior - High Notes

The recent Hallowe'en party held on October 27th in the gymnasium, was a success, money-wise and fun-wise. There were a number of very good costumes. Mark Thompson and Veronica Lewiski, dressed as salt and pepper shakers won the prize for the most original disguise. The scariest costume was worn by Cecile Fausak who represented a beggar woman. Keith Lorenz, whose costume was a robot with flashing lights won his prize because he had worked hardest on his. Most of the teachers came to enjoy looking at the many weird figures parading around as well as to admire the realistic decorations.

The students and teachers extend many get well wishes to Mr. K. Jensen who was in a car accident two weeks ago.

The report cards came out on November 17 and Friday, November 24 was scheduled as Parent-Teachers' night from 6:00 to 10:00 p.m. This is a wonderful opportunity for the parents to come and discuss their children's progress.

The students have decided, that in order to raise much needed funds, they will sell large Willard's chocolate bars. They ask for your support when they call with the bars some time in early December.

On Saturday, November 18, the Junior boys and girls volleyball teams travelled to Edson for a tournament. Considering how little practise both teams had, they did very well. The boys defeated Niton with scores of 7-15; 14-11; and 15-14. The girls also defeated Niton with scores of 2-15; 12-10; and 15-7. They were fortunate in carrying on and defeating Hinton in two games with scores of 11-9 and 14-4.

Players on the girls team were Barbara Croft, Captain; Patty Law; Bonnie Law; Caroline Keast; Angela Barakaskas; Donna May; Linda May; and Beth Tucker.

Players on the boys team were Dayton Gorsline, Captain; John Rosadiuk; Edward Manz; Don Fausak; Keith Lorenz; Ernie Semenyna and Russell Vinall. Thanks go to Mr. Jensen and Mr. Jeans, the coaches, and Mr. Hadley for the transportation.

The Senior tournament will be held on Saturday, November 25, so good luck is extended to the senior teams participating in the event.

The trimester system, under which the course is operated, means that a student can begin the course in the fall, winter or spring, and that he can attend for one, two or three sessions a year. A minimum of four sessions are required to complete the course.

Further information on the Olds agricultural technology course can be obtained from the principal, Agricultural and Vocational College, Olds, Alberta.

LODGEPOLE NEWS

MRS. C. KAY, Correspondent.

The first of the season's bonspiels was held in the Lodgepole Curling Rink. The winners were as follows: First Event--1, Ron Tyerman, Bill Johanneson; Second Event, 1 Peter Boyko, 2, Art Peter.

The Club wish to thank those who entered and those who helped in any way to make the affair a success.

Friends of Harvey Smith are reminded that he has been recently moved to the Col. Mewburn Hospital in Edmonton. Sincere wishes for a speedy recovery to Harvey, also to Connie Andruschuk who is a patient in hospital.

Members of the Lodgepole Junior Choir under the direction of their leader, Mrs. C. Kay are busy preparing a program of Christmas Carols and songs. Practice will be held at Mrs. Kay's home on Saturday afternoon at 1:15 p.m.

Skiers Name New Officers

A general meeting of the Drayton Valley Ski Club was held on November 23rd with 25 present. An election of officers was held and the members of the new executive are: President, Bud Landreth; Vice-President, Frank Neil;

Secretary Marion Neil; Treasurer, Don McKenzie; Directors Al McKillop, Roy Steeves, Jack Cathrea and Jean Simon.

Memberships will be accepted immediately at Don McKenzie's or Al's Sport Shop or by any member of the executive as the club needs money to purchase a new tow rope.

Fees are as follows: Family, \$30; Single adult, \$20; and Student, \$10.

Daily tow fees are set at \$1 for students and \$1.50 for adults.

Work has been done on the hill and it is in excellent shape and should be ready to go at the first good snow fall.

A sense of humor is what makes you laugh at something which would make you mad if it happened to you.

ENTWISTLE NEWS

MRS. E. OLIVER,
Correspondent.

Mr. and Mrs. John Oliver motored to Edmonton on November 25th to attend the 25th anniversary of Mr. Oliver's sister and her husband, Vernon Oliver came from Calgary to attend it also.

On December 8th the Entwistle Students Union are having a Potluck Supper. It will start at 6 p.m. and the prices are \$1.00 for a single person or \$3.00 for a family. Proceeds for school projects, mainly making up the Students Union share for the Library funds. This is sponsored by the Students Union and also arranged by them.

Mrs. Bullock who has been very sick is in Edmonton to see a specialist and we hope she will soon be home again and feeling much better.

A farewell party was held for Mr. and Mrs. Leo Burki at Moon Lake on Saturday, November 18th.

Mr. Edwin Lyseng has been visiting his niece Mrs. A. Dean and Gerald for some time.

The Elk's Whist Drive which was held on November 18th, had seven tables filled. The winners were: Mrs. Dean, ladies travelling prize and Zella Saretsky (playing man) men's travelling prize; Ladies first prize was won by Polly Hofmann and Ivy Anderson won the consolation; Men's first prize was won by John Oliver and George Hamar won the

MRS. M. BRUNER,
Correspondent.

That beautiful fall of snow which we had around Armistice Day has not done much toward putting us in the Christmas spirit as around here it has almost all disappeared. Looking at the children's clothes makes me think of the muddy spring weather instead.

Several 4-H leaders and junior leaders travelled to Duffield Hall to attend the annual Stony Plain 4-H District Council meeting last Tuesday evening. Mr. D. Beinert of the Youth Department was on hand to represent the Government.

The Department of Agriculture's Farm Management Sessions for the year got off to a very poor start this year. Since the roads were very bad the day the first classes were held, it is to be hoped more of the people who attended last year will be on hand when the next session is held.

Members of the Boy Scout troop went out on a skating party recently. All reported having had an enjoyable time. The boys in the Cub Pack seem to be quite busy working toward earning more badges and stars.

Latest family I know of to be driving a new car is the E. Law family from the village. Many happy motoring miles to them.

consolation. The December Whist Drive will be held on December 16th.

Mrs. Bohnet spent a few days in the Drayton Valley Hospital and we hope that she will soon be back to normal.

The Fire Department meeting room is receiving a real face lifting with the ceiling being tiled, the whole place has been painted, even the floor. When completed it will be a project well done and admired by all. Credit is due to most of the fire department members who have worked very hard to make their meeting place as homey as possible.

The Senior Citizen Supper which is put on by the OORP will be held on December 27.

Skating Cancelled

With the big Cash Bingo being held on Thursday, November 30th in the Centennial Arena, figure skaters are reminded that there will be no figure skating that evening.

Regular sessions will resume again on Saturday morning.

Rebels Drop First League Games

The Drayton Valley Rebels opened their schedule in the North Central Alberta Intermediate "B" Hockey League on Tuesday, November 21, against the Wetaskiwin Colonels. The Colonels took the opener 11-2 led by Russ Joyal and Ross McEacheran with three goals each. Frank Novosel and Ron Hemmingway scored for the Rebels.

On Wednesday, November 22, the Rebels travelled to Fort Saskatchewan for a game against the Huskies and came away from that one with a 4-1 loss.

Last Saturday night the Rebels took on the Stony Plain Eagles

at the local Civic Centre in an exhibition fixture. It was a see-saw battle until the third period when the Rebels broke loose with a torrid attack which won them the game by a 9-8 score. Jim Dunn with three goals, Ron Hemmingway and Garry Panke-Pankewicz with two each along with Garry Haack and Dave Boulter were the Rebel scorers. Roger Berube with three, Brian McLeod and Richard George with two apiece and Emile Berube with a single counted for Stony Plain. Shots on goal were 60 by Drayton Valley and 25 by Stony Plain.

On Tuesday evening, November 28th the Rebels entertained the Fort Saskatchewan Huskies at the local Civic Centre.

On Grey Cup weekend the local team is in Stettler for games on Saturday and Sunday.

4-H Club Plans Christmas Party

MARILYN MOTTRAM,
Club Reporter.

The Entwistle 4-H Clothing Club held a business meeting in the basement of the Community Hall on November 15, with seventeen members and a few mothers present. A discussion was held in regards to a 4-H Christmas Party. A committee was nominated and they were: Irma Sawatsky, Norine Messenger and Audrey Anderson.

The Entwistle 4-H has decided to join the Edmonton Regional Council this year. A motion to adopt the program was made and accepted.

Audrey Anderson gave a brief talk on tips for buying a pattern. Dawn Brown gave us some good advice on how to set up a project book.

Lunch was served by Marilyn Seedhouse, Pat Smith, and Irma Swatsky. The next meeting will be held December 6th in the Entwistle Community Church.

Proudly introducing Another Alberta Junior Citizen of the Centennial Year!

DARLENE KOPORES, Ponoka

Several years ago, when her mother passed away, Darlene began helping her father to look after the family. Darlene has four younger brothers and sisters. Then, when she was thirteen, her father went to hospital, and this enterprising girl took complete charge! She kept house and looked after the family even through difficult periods. Yet she has attained an excellent scholastic standing. Today, she attends Grade Ten at Ponoka High School. Now that her father is home again, the family is working together to build a happy, contented home.

We congratulate Darlene Kopores and thank Alberta's Weekly Newspaper Editors for their active participation in the Alberta Junior Citizen of the Year program, sponsored by Alberta's investor-owned electric utility companies.

This is one of a series of Junior Citizen Award announcements. Our special thanks to Ken McLean, Editor of the Ponoka Herald and to Darlene's nominator, Mr. G. L. Landmark of Ponoka.

Tomahawk Beef Club Meeting

RALPH GOERTZ
Club Reporter

The first regular meeting of the Tomahawk 4-H Beef Club was held at the home of Ted Reich, Tuesday, November 21 beginning at 8 p.m. Twenty of the club's 24 members were present at the meeting. Co-host for the evening was Mrs. Cherrington.

Business included the payment of insurance on calves which most members took out.

Club leader, Dave Case, outlined the requirements to get the Federal-Provincial Grant. He then discussed how to use the Record Books, mainly for the benefit of new mem-

bers.

The third topic of discussion was the dance to be held December 8th following the Tomahawk Amateur Hour. It was decided to sponsor the dance and if the dance doesn't draw a crowd to hold another dance Boxing Day, December 26th.

Reports were given by Linda Piskunowicz on the importance of Record Keeping and by Harold Wickware who reported on Starting the Calf on Feed.

The meeting ended with a delicious lunch served by Mrs. Reich and Mrs. Cherrington. The next meeting will be held at Wickware's home on December 12th.

EASYFORD NEWS

Cindy and Sharyl Vowk accompanied Mr. and Mrs. Pete Hutchinson and Valerie, leaving last Friday morning to attend Josie Stewart's wedding at Quesnel, B.C. Others who also attended were, Mr. and Mrs. Ken McKenzie, Mr. and Mrs. Mike Vowk and Mr. and Mrs. Pete Vowk.

Last Friday evening friends and relatives gathered at the hall to help Mr. and Mrs. Donald Oscar celebrate their 25th wedding anniversary. The evening was enjoyed by dancing, a collection of money was presented to them, and a lovely lunch was served at midnight. Mr. Albert Young of Edmonton proposed the toast to which both responded by thanking everyone for the special occasion.

Valerie and Mark Getzinger had their tonsils removed in the local hospital last week. Lonnie Getzinger is now in

the hospital with pneumonia.

Mrs. P. Weiss will be staying with her brother, Gordon Macconnell while her husband is working in the north.

Bazaar, Tea Held Saturday

The Legion Hall was the scene of a lovely afternoon tea and bazaar held Saturday, November 25th. The tea was sponsored by the Drayton Valley UCV with members of the CGIT group serving the lunch.

The members wish to thank all who made the afternoon the success it was.

THE BEER THAT WON THE WEST
Alberta's own brand... **GOLDEN WEST**

"They won the West" Medicine Hat's Horatio Ross, steamboat builder and captain, gave this city fame as an inland harbour. His stern-wheeler "City of Medicine Hat" plied the South Saskatchewan River until 1909.

It has the winning, mellow taste that Westerners like best!

GW is the beer that is custom-brewed for Alberta

—made right and aged right, for the honest beer taste that's always "just-right light."

You get it every time in GW —the beer that won the west.

D. V. Highlights

BY MRS. EDITH DEBY

Word has been received by Dr. Maclure that his father passed away last week in London.

During a visit to Drayton Valley Mr. Maclure conducted church services for some time at All Saints. He made many friends while here who will be saddened by the news of his death. Our sympathy is extended to Dr. and Mrs. Maclure and their family.

We welcome Ted and Patsy Mastre to the ancient and honourable Society of Grandparents. Their grandson was born to son-in-law and daughter, Mr. and Mrs. Roy Hutchinson.

Saw Dr. and Mrs. Lyn Hall enjoying a visit with old friends at the Anglican dinner on Saturday night. The Halls had a wonderful six weeks in Europe this summer. Came home happy, tired and with worn out shoes. Mrs. Hall is Mrs. Louth's daughter and Mrs. L.L. William's sister.

Miss Edna Free of Edmonton visited her parents, Mr. and Mrs. Claude Free, for the weekend. Saturday was Mrs. Free's birthday. Many happy returns, Mrs. Free.

Mr. and Mrs. James Cargill have just returned from a holiday in the United States. Mr. Cargill's parents made the trip, too, and were particularly thrilled with their first journey outside Canada.

The Cargills crowded in the highlights of eight states during their two weeks south of the border. The beaches of Oregon, the Redwoods of Northern California, quaint old San Francisco, Los Angeles with its Disneyland and its smog, and Salt Lake City with its Temple Square were a few of the points of interest to be remembered.

Funeral services were held in Edmonton last Saturday for Mr. Bryce Lindgren, whose accidental death by asphyxiation, was a shock to family and friends. Mr. Lindgren

married Mildred Dodson, daughter of Mr. and Mrs. Newton Dodson, of this district. They have two daughters. I join with Mrs. Lindgren's many other friends in offering condolences.

Phys. Education Institute Planned

Mr. E.A. Smith, professional development chairman for the Stony Plain A.T.A. advises that an institute will be held at the Stony Plain School on December 1st. The institute on physical education will be for elementary and junior high teachers in the division.

Registration will take place between 9:00 and 9:30 a.m. Lunch will be served at the Elks Hall between 12:00 and 1:15 p.m.

Women's Institute Plans Annual Christmas Party

The regular monthly meeting of the Drayton Valley Women's Institute was held in the library on November 20th. Mrs. Arthur Durham chaired the meeting in the absence of the president and vice-president.

The chairman welcomed Mrs. Fertig as a visitor and prospective member.

Members answered roll call with Christmas cards and postage to be sent to Oliver for patients use.

Mrs. Lefarud is the new director for District 2.

An interesting news release from the Fire Commissioner's office was read by the secretary.

The Christmas party will be held at the Deby home on the 18th of December. Will members bringing guests please inform the hostess two or three days in advance.

There will be no gift exchange this year.

Mrs. Arthur Durham served a delicious lunch.

KEEPPHILLS NEWS

MRS. G. RAYMOND,
Correspondent.

The four inches of snow that fell on the 11th left rather quickly this last week with a quarter of an inch of rain.

Mr. Paul Maschke an old timer of this area passed away recently in an Edmonton Hospital at the age of 83. Interment was in the Keepphills Cemetery.

Della Tattersall had a surprise visit from her parents, Mr. and Mrs. Eugene Walker and brother Clinton of Edmonton on Saturday when they stopped briefly on their way

through to Drayton Valley.

Mr. and Mrs. Wilfrid Tyler are in Edmonton from Manitoba. They hope to visit in this area if the weather permits.

Mr. LeGrand has had an oil furnace installed in his home recently.

A good crowd attended the awards night at Keepphills Auditorium last week. Several of the children received medals and certificates for their 1966 work and grade standings.

The road crew has moved into this area and at present are preparing to start improving the corner near Art Bryant. There have been several mishaps there and we are glad to see it being improved before tragedy strikes there.

Mrs. Lauder is baby sitting her grandson from Lamont for

a week or so. He is four months old.

Mr. and Mrs. Larry Lang from Calgary are visiting Mel and Ila Edge and family for a few days then plan to go on to Jasper for another few days.

Mr. Bob Leshar is still improving in an Edmonton Hospital where he has been for the past month, following an accident with the hay bailer. He hopes to be home shortly.

A building has been moved near the rink for the children to use for their skating rink equipment and for putting on their skates. They will also put up some poles for lighting.

Tie a rubber jar ring to the end of a string on baby's pull toy. It's easy to hold and easy to pick up.

F.M.H.S. School Flashes

By Bonnie McGaughey

On Wednesday, November 15, Mr. Woods, principal of Frank Maddock High School conducted a general assembly. The Royal Purple Award for highest mark in Grade 9 English was given to Linda Frank.

Mr. Woods congratulated the Spartans on their past football season.

Thursday, we went to Seba Beach for a basketball game. The boys won but unfortunately the girls lost.

The Cheerleaders had their tryouts on Friday, November 24th. The results are: Alison Waugh, Captain; Linda Frank; Bonnie Heyland; Valerie Hutchison; Marilyn MacColman; Nina Schurman; Valerie Willner; and Cindy Vowk. The subs are Karen Gossel and Pat Hoge.

The League Volleyball Tournament was held in Thos-

by on Saturday the 25th. Schools participating were Breton, Drayton Valley, Seba Beach, Thorsby and Warburg. The girls placed third while our boys brought home the trophy. Ken Bureyko of Frank Maddock was chosen as the Most Valuable Player in the League.

There will be a Bingo on Thursday, November 30 in the Civic Arena. A number of FMHS students will be helping the Athletic Association, who are assisting the In Crowd to raise funds.

This Friday FMHS will be going to Breton for a basketball game.

Students of Frank Maddock High School will be selling Licorice All Sorts this weekend and next week to raise funds for the Students Union. The candies sell for \$1.00 per box.

MAGNOLIA NEWS

Mrs. G. P. MacDougall,
Correspondent.

The community held a farewell party at the hall Friday evening, November 17th for Mr. and Mrs. Eric Anderson.

Whist was played for entertainment with 12 tables occupied. First prize winners were Stella MacDougall and Ray

Storms. Second prizes were won by Evelyn Lukienuk of Tomahawk and Walter Campbell. Thelma Dolf and Geof Hampton won consolation, Jean Gylander and Frank Jenkins won door prizes.

A presentation of a beautiful lamp and bone china cups and saucers was made to the honoured couple by Mr. Jack Bal-four on behalf of their friends.

Mr. and Mrs. Anderson thanked everyone for the gifts and the party and extended an invitation to all to visit them

in their new home in Edmonton.

The ladies served lunch.

Mr. and Mrs. Don Peden moved to their new home in the Brightwood district.

Sofie Chichotko experienced a pleasant surprise on November 20th when her friends Belle and Adolph Landsiedel of Violet Grove dropped in for a visit. The Landsiedels were Sofie and Mark's neighbors when they lived in Violet

Grove several years ago.

Linda Reich was 13 years old November 18.

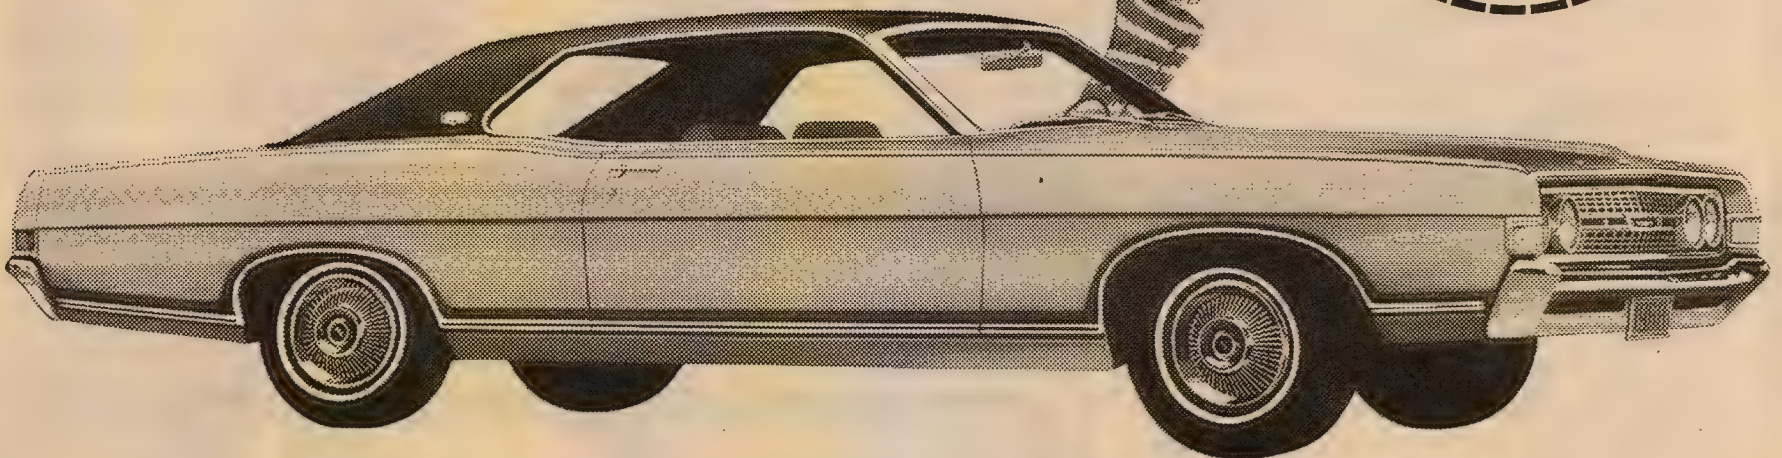

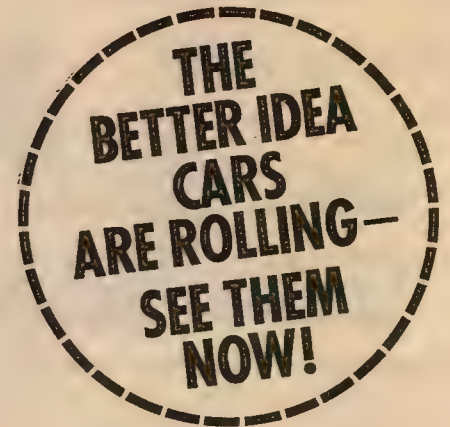

Sybil and Don Peden were married six years on November 17th.

Mr. and Mrs. Bob McCracken held a welcome home party for their daughter Gail who returned from Tobermory, Ontario where she was employed for seven months. Guests present were Mr. and Mrs. Herb Gilbert and Jack of Sundance,

Jim Gilbert and Gilbert Greenwood of Edmonton, Vic Jones of Fallis, Marj Anderson and Lois, Bob Stewart, Bob and Donna Ekroth, Don and Sybil Peden, Tracy and Terry, Mr. and Mrs. A. Johnson, Grant and Stella MacDougall, Julie, Bonnie and Doug.

Mr. and Mrs. Cliff MacDougall, Wendy and Norene of Hinton and Paul Pecock of Tobermory, Ontario were recent visitors in the district.

Light up your life with
TORINO!
Ford's newest bright idea.

Torino! Action sized, quick handling. It's Mustang-type excitement all over again with big car comfort in six beautiful models, six passenger size: 2-door hardtops, 4-door sedans, wagons, fastbacks, GT's, convertibles.

Torino! Filled with better ideas from Ford: up to 427 cubic inches of track-bred power. Up to the minute options like speed

control, AM/FM stereo radio, AM Radio/StereoSonic Tape System, air conditioning, two-way tailgate on wagons (a Ford invention), and a surprisingly low price. This is everybody's action car. Spirited. Exciting. When somebody asks "what's new", tell them Torino. The most exciting place to be this year is in Torino.

'68 MUSTANG
Only Mustang makes it happen!

Turn on. Tune in to Mustang—the car designed to be designed by you. Pick your power from a choice of five V-8's. Choose the transmission that suits you best—from SelectShift automatic (that works like a manual when you want it to), to that torque-taming manual 4-speed. Outfit your Mustang as a practical car or load it up with

luxury and sports extras like Tilt-Away steering wheel, air conditioning, performance options and, if you like, racing stripes. Choose the style that makes it your car; fastback, hardtop or convertible. Mustang for 1968—it makes dull people interesting, interesting people absolutely fascinating. And only Mustang makes it happen.

Health Hints

from
THE CANADIAN MEDICAL ASSOCIATION

Many people mistakenly think low blood pressure and a low blood count are one and the same. Low blood pressure and low blood count are two entirely different conditions, says The Canadian Medical Association.

Low blood count generally denotes a lower than normal hemoglobin content or oxygen-

carrying capacity of the blood; in other words, anemia. This is always a symptom of some underlying disorder and requires careful investigation to determine its exact cause.

Low blood pressure describes the situation in which a patient's blood pressure--the force at which the blood is being pumped through the blood ves-

Member of the House of Commons, Doug Caston, was sworn in Tuesday November 21 by Mr. Alistair Fraser (right), Clerk of the House of Commons, while National Leader of the Conservative Party, the Hon. Robert Stanfield looks on. Mr. Caston was presented to the House at 2:30 that afternoon by the Conservative Leader and the Hon. Marcel Lambert of Edmonton West. After bowing to the Speaker, he was escorted to his seat by Reynold Rapp, the Conservative Party Whip in the House of Commons.

sels--is lower than one would expect--when compared to others of the same age group.

The C.M.A. says it is unwise and unfair to tell a person who feels well and has no specific symptom that he has low blood pressure--simply because this

was detected during a routine medical examination. Such a person is probably better off in the long run than the person with a blood pressure that is considered normal.

One symptom that is related to so-called low blood pressure

is dizziness due to postural hypotension. The patient usually has a sense of dizziness particularly on suddenly changing position from lying to sitting or standing. This is really of no great significance.

Have you ever wondered...

...where medical aid would come from if your community should suffer a disaster?

Disasters can range from a nuclear attack to a multi-car highway accident, from a flood to an industrial explosion, but all have one thing in common: the immediate and vital need for medical supplies and equipment. To make sure that the required equipment and personnel are on hand when needed is the responsibility of the Emergency Health Services of the Alberta Department of Health. Twenty-two hundred bed emergency hospitals, packaged and ready to be transported and erected wherever needed, are being strategically stored in the province by this agency. These units are designed to replace bed and medical facilities which might be destroyed in a nuclear attack, and to supplement inadequate local facilities in the event of a major civil disaster. Advanced Treatment Centres are also maintained by the Emergency Health Services to provide first life-saving techniques and patient-sorting following a nuclear attack. Each large city hospital has disaster teams which would assist local medical personnel if required during a large disaster outside Calgary and Edmonton. To further supplement emergency equipment available locally, twenty Casualty Collecting Units have been divided into thirds, providing 60 municipalities throughout the province with stretchers, blankets, first aid

supplies, burn dressings and water bottles. The distribution and use of all this equipment, which is supplied by the federal government, is controlled by the Emergency Health Services, working with the Alberta Emergency Measures Organization.

...what type of recreation program would be best for your community?

There's no need to wonder about it; many specific answers are available through a Recreation Interests Inventory. The Recreation Branch of the Alberta Department of Youth, through the area consultants can provide guidance and assistance in this inventory. Any interested community can request that an inventory be carried out in their area and the Branch may assist in developing the questionnaires and in supplying the personnel to co-ordinate the project and to evaluate the answers, at the cost to the community of materials only. To further aid in setting up a comprehensive recreation service, the Branch assists in surveying the physical facilities available; (i.e. schools, community centres, campgrounds, sport fields, playgrounds) as well as present programs. The final evaluation of the complete findings of the assessment is submitted to the local Recreation authority for their decision. The Recreation authority then may request further advice and, if necessary, financial assistance from the Recreation Branch.

...where an Alberta manufacturer can obtain the financial assistance required to buy the materials he needs at the most advantageous time and in the most economical quantity?

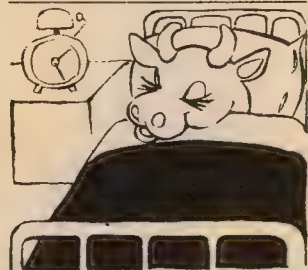

Qualified Alberta manufacturing firms, unable to obtain sufficient financial assistance from other sources, can apply to the Alberta Commercial Corporation for the funds they need to build up inventories of raw materials or standard component parts. The Corporation will purchase the material in quantity, arrange for storage and release it for cash payment as it is required. Funds are also made available to qualified manufacturers who require production equipment or land and buildings to enlarge their facilities. Firms applying for assistance from the Alberta Commercial Corporation also receive expert guidance and direction to those government agencies which can best advise them on such matters as markets and natural resources.

...how, today, fewer farms are producing more food?

Partly because, today, the principles of engineering are being applied to the practice of agriculture. Alberta farmers have the assistance of trained agricultural engineers in producing the largest quantity of food with the least number of man hours. Working through the offices of District Agriculturists the Agricultural Engineering Branch of the Extension and Colleges Division, Alberta Department of Agriculture,

offers help in such forms as plans for livestock buildings; advice on installation of private water systems and water treatment plants, sewage disposal and electrical installations, drainage of farm lands, gully filling and conservation. They aid in planning new farmsteads for maximum mechanization to reduce time and work in operations like feed handling, manure disposal and bulk storage of fertilizer. Tractor maintenance schools and field days held by the Branch also help teach those engineering ideas which have played a major role in making agriculture one of Alberta's most efficient industries.

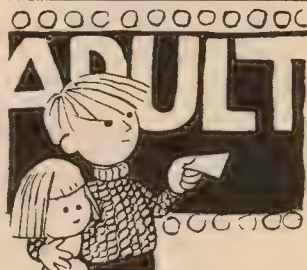

...who provides "bed and board" for Alberta's entries at the Royal Agricultural Winter Fair in Toronto?

Alberta's animal representatives at the "Royal" live in style and comfort from the moment they become part of the province's display until they return home again, with feed and bedding provided by the Alberta Department of Agriculture. In addition, the Department co-ordinates with the Breed Association, the selection of animals to be entered, arranges with the railway for rolling stock, outfits the cars, correlates loading times and locations and pays freight costs, 75 per cent of which are reimbursed by the federal government. The

province supplies assistance to exhibitors for this occasion because this is the only agricultural fair in Canada considered to be national in scope.

...why all Alberta movies are classified?

Classification of motion pictures shown in Alberta is a method of advising moviegoers throughout the province as to what kind of entertainment they can expect when they "go to the show". Advertising for any movie must bear the classification which has been assigned to it by the provincial Board of Censors so that everyone will be aware of the type of picture it is. There are three classifications: "Family" — movies to which even the youngest children are admitted unaccompanied. "Adult" — restricts admission to people over age 16 unless accompanied by a parent or bona fide guardian, usually due to frightening, violent or sexual themes. Such films may be seen by children but an adult must be available to provide explanations if they are required. "Restricted Adult" — allows admission only to theatre-goers over age 18. This classification allows films with controversial themes to be seen by adults and warns patrons with special sensitivities that the subject matter may offend them. "Restricted Adult" films are not permitted at drive-in theatres.

Card of Thanks

THANK YOU--I would like to state my thanks and appreciation for the many expressions of sympathy which I have received on the death of my father on November 20th. He passed away at the age of 83 after a very full and happy life.

During the past ten years he made two visits to us in Drayton Valley and so was known to many people here. He is survived by three sons, two of whom were able to be with him during the last few months. Hugh Maclure.

Coming Events

The children of Mr. and Mrs. Glen Primrose are holding an Open House in the Elk's Hall on Saturday, December 2nd at 8 p.m. in honor of their parents' 25th anniversary. Everyone welcome. n29

MITE HOCKEY

The Mite Hockey program is off and running for the 1967 to 1968 season. The Mite program is under the direction of Hugh MacKenzie who is Commissioner for the Drayton Valley Mite Hockey League. The local league consists of four teams and comprises some 72 boys between the ages of six and ten years. The four teams competing in this league are J & A Trucking, Swanee's Well Servicing, Flint Engineering and Construction Ltd., and Hi-West Well Servicing. All four teams play each Wednesday and Friday evening at 5:40 p.m. The schedule opened on November 22nd and will close on March 15th with each team playing thirty-two games. No games are scheduled during the Christmas holidays from December 22nd to January 3rd, 1968. Post season playoffs will be held to decide a winning team. All four teams will take part in these playoffs.

PEE WEE HOCKEY

Registration in our hockey program has surpassed all expectations at every level and the Pee Wee division certainly is no exception. Here well over fifty boys between ten and twelve years of age have signed up to play hockey. This means that we will have four teams. An All-Star team has already been formed and will compete in the Drayton Valley and District Bantam Hockey League. The three other Pee Wee teams will form a town league playing on Wednesday, Friday and Saturday. Tom Hutton is the Commissioner for the local Pee Wee League and all is in readiness to start the regular season. The teams and coaches will be published a bit later on when all the necessary adjustments have been made out and the teams are all finalized.

BANTAM HOCKEY

A four-team Drayton Valley and District Bantam Hockey League has been formed and will operate throughout the season. The league is composed of Tomahawk, Drayton Valley Elks, L.B. Motors and Drayton Valley Hotel. The Hotel team is the Pee Wee All Star team playing in this league. The season opens on Monday evening at the Civic Centre with the Elks facing off

against Tomahawk. From then on the teams will play as scheduled on Monday, Wednesday and Saturday. The schedule calls for each team to play twenty games. The last scheduled games shall be played on March 9th and this will be followed by a post-season playoff with all four teams taking part to decide the District championship and the winner of the beautiful Rotary Trophy presented annually to the Bantam champions of the community league.

MIDGET HOCKEY

We have come up with our first Midget Hockey team in several years. The fourteen to sixteen year-old group has been practicing regularly under coach Orest Haydey for the past three weeks and are shaping up for competition in the Hi-Way Sixteen Midget Hockey League. The League schedule opens on December 9th and will likely entail a home and home series for the teams involved. Besides Drayton Valley, the other teams in the league are Winterburn, Devon, Stony Plain, Wabunan and Onoway.

JUVENILE HOCKEY

The Pembina Pipeliners have succeeded in icing a formidable Juvenile team. Under coach Joe Balen the Pipeliners have been practicing regularly for the past two weeks and have played two exhibition games to date. The Pipeliners defeated the Valley Voyageurs 7-5 last Thursday evening and on Sunday they traveled to Edson where they came away with a 10-5 victory. Joe Balen says that there is a good possibility of forming a league with Drayton Valley, Edson and Whitecourt being the competing teams. So before March rolls around it could prove to be a very interesting hockey season at the Juvenile level.

FIGURE SKATING

There is a real rush on in the Figure Skating department these days. Registrations for this activity have surpassed all expectations with some 150 youngsters registered and still more to come. This has caused a severe problem for ice time in an already overcrowd-

ed schedule, however, a switch has been made in the Saturday schedule which should remedy the situation for the time being at least.

Linda McMorris will be the chief instructor for the local club again this year. Linda is presently attending Alberta College in Edmonton and travels to Drayton Valley each Saturday.

SCHEDULE CHANGE

Public skating scheduled from 12:40 p.m. to 1:50 p.m. on the Civic Centre ice schedule has been deleted. Starting this week, there will be no public skating on Saturday until 5:40 p.m. There is a two-hour period at that time until 7:30 p.m.

The previously mentioned public skating time had to be dropped to make room for the expanded hockey and figure skating programs. The program expansion as you know, is due to the very high registration in both hockey and figure skating. With both activities we are looking at over 400 persons and we just have not got hours enough to go around. It was a question of cutting a good number of persons from the hockey and figure skating programs or taking a bit more time. This was the question and on these basis the decision was made.
